## 2009 National Season Sponsor Proposal

### 2009 Goals

I will be attending the 2009 AMA/NATC Observed Trial Series where i'll be competing for the Expert National Title. Gas Gas has added the incentive of offering me a bike for 2010/2011 if I win. This will be the biggest goal I've ever accomplished. I will continue to ride every PNTA and COTA event in addition to all the Nationals. If everything goes right I will have an opportunity to ride in one of the oldest trials events, the Scottish Six Day Trials. All this and continuing to practice 2-3 days a week to increase my technical skills.
